**SOCIETY OF WOMEN ENGINEERS – PIKES PEAK SECTION  
INSTRUCTIONS FOR COLLEGE SCHOLARSHIP APPLICATION**

**Deadline – March 31, 2022**

**ELIGIBILITY** – To be eligible, applicants must meet the following qualifications:

1. Be a woman enrolled as an undergraduate or graduate engineering student in an ABET accredited engineering or computer science program in Colorado (zip codes 80800 - 81599 only).
2. Be in a position to accept the scholarship for the academic year starting in the Fall.
3. Have completed a minimum of 3 semesters or 4 quarters of study.
4. Is not already receiving full funding from another organization.

**GENERAL**

1. All scholarship recipients will be notified by June 30, 2022. Non-recipients will not be notified, unless a stamped self-addressed envelope is submitted with the application.
2. No restrictions are placed on applicants with respect to other scholarships, including other SWE scholarships.

**OPTIONAL FINANCIAL INFORMATION**

SWE scholarships are awarded on merit, however, financial information may be used as a determining factor in case of a tie. An applicant may complete the “Anticipated Expenses” and “Sources of Income” portions of the scholarship application only if the applicant wishes financial need to be taken into consideration.

**APPLICATION** – To be accepted for judging, an applicant must submit all of the following items:

1. **Application Form** – The form must be fully completed, with Supplementary Information attached to the form.
2. **Transcript** – Official copy of applicant’s transcript(s) for the entire enrollment in current and prior college or university. **Please blot out your Social Security Number on your transcript if it appears.**
3. **Applicant Essay** – Essay written by the applicant, not more than one typewritten page in length, and briefly describing:
  - a. Why the applicant chose an engineering major or particular discipline
  - b. What she will accomplish or how she believes she will make a difference as an engineer
  - c. What or who influenced her to study engineering
4. **Reference Letter 1** – Letter of reference from the applicant’s department head, an engineering professor, or faculty advisor (indicate class standing of applicant relative to other students).
5. **Reference Letter 2** – Letter of reference from another engineering professor in whose class the applicant is or has been enrolled.

**MAILING INSTRUCTIONS**

**Forms must be completed and postmarked no later than March 31, 2022.** The transcript and reference letters may be included with the application (preferred) or submitted separately to the address below. *The applicant is responsible for seeing that all the necessary information and documents are submitted by the deadline.* An incomplete application package will be disqualified. All application materials should be addressed to:
